

# BOOK REVIEWS BY KIDS

## CHECKLIST

*Hey there!*

*Thanks for wanting to contribute a book review to Charlotte Mason City Living! I created a checklist to make it easier for you to follow the guidelines. Can't wait to read your review and post on my website! -Erika Alicea*

### CHECKLIST

- Choose a book **recommended** on either *Charlotte Mason City Living* or Erika's social media.
- Write a short **summary** of the story. (Kind of like a narration. 😊)
- Tell why I **enjoyed** it. (Feel free to include what I may have disliked as well.)
- Include at least one **quote** I liked from the book.
- Should be in my own words and not copied from the book unless it's a quote. (My parent can type my oral narration if I'm unable to do so.)
- Can be handwritten but have my parent/caregiver email a **typed** document. (Parents: I know this is challenging but please try not to edit their writing so it's as authentic as possible. Submission details on website.)
- Take a **picture** of my original writing next to the book to email along with the document. (You can use the picture above as an example.)
